About

Hi, my name is Trevauhn. I have always been the weird kid with the camera taking pictures of everything. Now I'm the owner and main photographer of Perfektion Films. I have been a portrait photographer for over five years; Wedding photography has been the evolution of those many years.

Why

I truly believe there is something special about the union of a man and woman. The union bears the very image of God. I am here to help you celebrate that special union.

beautiful & divine milestone

Brooklyn & Noah

I cannot recommend him enough!! He is so sweet and dedicated. He arrived on time and was so detail oriented. He asked many questions to know what type of photos I wanted. He went over and beyond! He gave me and my husband our photos extremely fast and they are stunning!! He took photos and a video of our wedding. Everyone gushed over his work. I 10000% recommend him!!

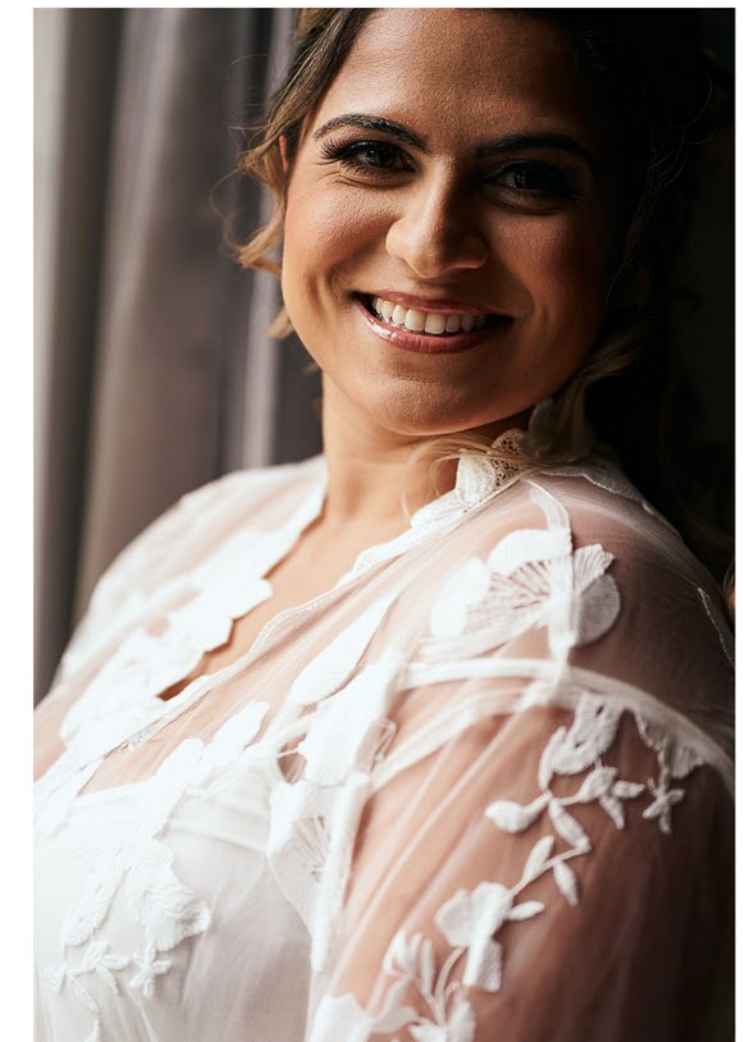

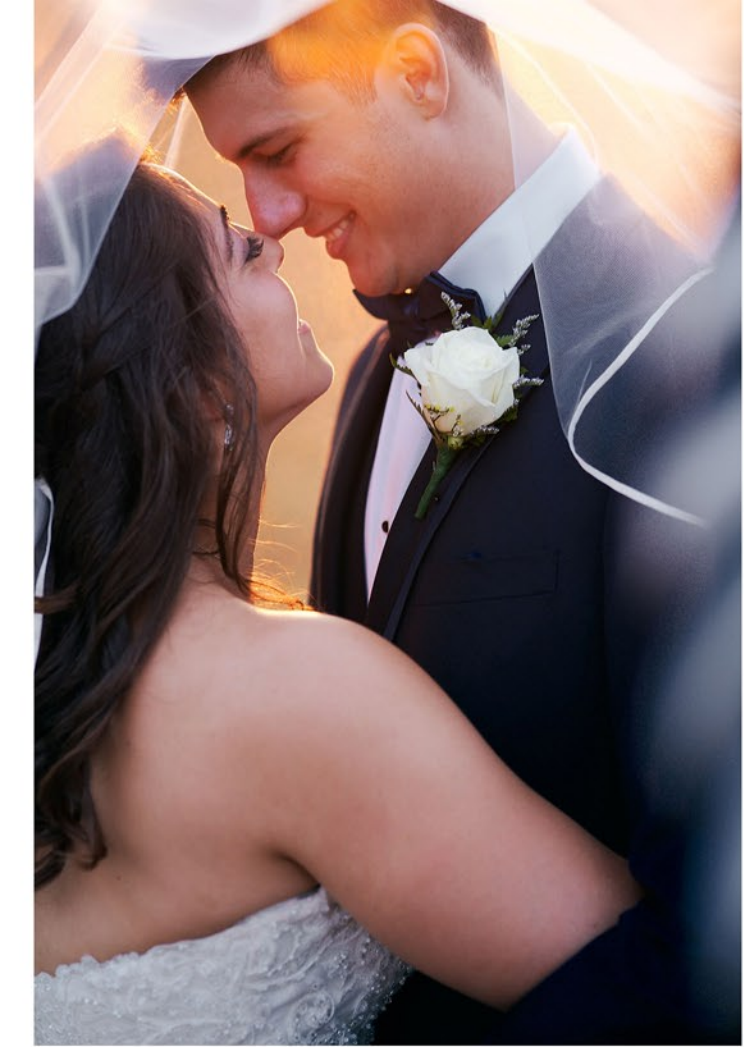

Dharma & Jeffery

We had our first experience with Trevaughn and it was amazing! We are looking forward to him taking pictures on our wedding day! He knows how to capture the essence of a couple and he is open to suggestions and very creative. He has a great eye for pictures and poses that really bring your pictures to life.
